SUU SUCCESS ACADEMY
2023-2024 HIGH SCHOOL PROFILE

OUR SCHOOL

The Southern Utah Center for Computer, Engineering and Science Students (SUCCESS) is an accredited, non-profit, Early College High School designed to provide enriched educational experiences focused in science, math, engineering and technology. Academically successful students have the opportunity to earn their Associate of Science Degree from Southern Utah University simultaneously while earning their high school diploma.

SUCCESS Academy is open to all students without regard to race, religion, or national origin. Total enrollment at SUU SUCCESS Academy is approximately 200 students. Of these, approximately 30% of our students come from low-income or multicultural families. Located 250 miles south of Salt Lake City and 180 miles north of Las Vegas, Cedar City is a rural city with a diversified socioeconomic background. Cedar City's population is approximately 37,000.

EXTRACURRICULAR OPPORTUNITES

Students can participate in any sports, clubs, music or theatre that is offered at their boundary school. In addition, SUCCESS Academy offers these opportunities:

- Student Government
- National Honor Society
- Math Club
- Science Club
- Yearbook Staff
- Creative Writing Club
- Teen Science Café
- Coding Club
- Chess Club

ACADEMIC COURSE LOAD

SUCCESS students begin collegiate coursework in 9th grade, continue with an increased course load in 10th and 11th grades, and finish 12th grade taking 12-15 collegiate credits on campus with SUU's general college population. Other high school course requirements can be taken at their boundary high school or online.
